The following manuals are in development to support the V8-350/380/430 engine family;

#### 47703000, Engine mechanical

Covers function groups 20-26

Status: currently available on Partner Network. Search by publication number or engine serial number. The electronic version can be viewed online or a printed copy can be purchased from the pubstore.

This manual will be printed and distributed to dealers in 2014.

#### 47703503, Diagnostic codes

Covers the troubleshooting of the DTC Codes

Status: a preliminary version is available for view only on Partner Network. Search by publication number or engine serial number. The preliminary version is not complete, the manual will be updated frequently as more DTC codes are completed.

This manual will be printed and distributed to dealers in 2014.
